

Let's Code It Programming!

Winter 2019

St Lucy

STEAM Learning

GRADES 2-8

HANDS ON

Let's Code It Programming – Kool Katz – Your child will have a blast in this exciting new STEM program. Our innovative approach to coding is sure to spark your child's interest in computer science, using a simple, relatable, block-based programming system called Scratch, developed by the MIT Media Lab. The fun filled curriculum stresses critical thinking, creativity, confidence, teamwork, and problem solving skills to prepare them for the 21st century and beyond. Class topics include video game design, loops, control structure, conditional expressions, control statements, object oriented design concepts, data structures and variables, and mathematical expressions. Each student will receive an award on the last day of the session, and will have the opportunity to earn Energy Belts to demonstrate their learned skills!

Course Time: Wednesdays, January 30th - March 6th, 2:30 PM - 3:30 PM

(6 Classes)

To sign up, please visit <http://www.learningmeansfun.com/signup>.

You will need to enter the class code **LUC1.30.19** in order to register. Please register by 1/20 for the early bird price of \$84.00.

If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com
No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.
